Welcome

: HOURS

Monday-Friday	9 a.m.-8 p.m.
Saturday	8 a.m.-8 p.m.
Sunday	Noon-6 p.m.

: ARRIVAL INSTRUCTIONS

We ask that you arrive 15 minutes prior to your scheduled appointment time. Arriving late will deprive you of precious minutes during your spa treatment. To prevent distractions during your treatments, please refrain from cell phone use upon entering Cooper Spa.

: RESERVATIONS AND CANCELLATIONS

Please book Cooper Spa appointments in advance by calling 972.392.7729 or emailing dallas@cooperspa.com. You may request a specific gender or therapist for your service while booking an appointment. We also have the ability to arrange a recurring appointment for you based on your schedule. Please inform one of our spa coordinators, who can assist you with scheduling your standing appointment.

We ask for a 24-hour notification to cancel or reschedule an appointment. Cancellations with less than a 24-hour notice will be charged 50 percent of the original value of the scheduled service. Missed appointments will be charged the full fee.

: SPA AGE REQUIREMENTS

For those under the age of 17, parental or guardian supervision is required for all services. Please contact a spa coordinator to learn more about specific service restrictions.

: CHILDCARE

For the privacy and relaxation of our spa clients, we kindly request that children not accompany you during your services. For your convenience and peace of mind we provide complimentary childcare for children ages 2 months to 12 years at Cooperized Kidz based on length of time and availability. When booking your spa appointment, please request childcare reservations. 24-hour advance reservations are required.

: SPA ATTIRE

Before and between services you are welcome to use our Spa dressing room with showers, lockers, toiletries, oversized robes and slippers. For your privacy during the service, you will be professionally draped.

: FITNESS CENTER USE

Complimentary use of the locker room facilities including sauna, whirlpool and steam room are available for use during the day of treatment. With the purchase of two or more Cooper Spa services, you will also receive complimentary use of Cooper Fitness Center exercise space and any non-paid group exercise classes.

: GIFT CARDS

Cooper Spa offers gift cards for services or a dollar amount beautifully packaged and ready for presentation. For convenient gift giving, gift cards may be purchased in person, by phone or online at cooperspa.com. All gift card purchases are nonrefundable.

Unwind with a massage by our professional and knowledgeable licensed therapists.

: BEAUTIFUL FIT SIGNATURE MESSAGE

This personalized service, tailored to your specific needs, incorporates varying techniques, pressure and essential oils to give you ultimate relief. Following a private consultation with the licensed therapist, your one-of-a-kind service will begin to unwind your body and mind.

75 minutes / \$185

🌿 : DEEP TISSUE MESSAGE

Using stronger pressure focused on trigger points in the muscle tissue, this technique is ideal for the active person or those needing relief from extended soreness or tightness.

50 minutes, \$150 / 80 minutes, \$195

🌿 : SWEDISH MESSAGE

Addressing tension in the muscles and soft tissue, this traditional technique is ideal for every person.

50 minutes, \$130 / 80 minutes, \$175

🌿 : FITNESS STRETCHING MESSAGE

Integrating deep tissue massage with stretching, this treatment releases tension, increases vitality and enhances flexibility. Beneficial for fit body types.

50 minutes, \$150 / 80 minutes, \$195

We recommend women wear a sports bra top and shorts and men wear loose-fitting shorts.

: PREGNANCY AND POSTPARTUM MESSAGE

The extra stress and tension placed on an expectant mother's body is relieved through the use of massage, specialty contoured body pillows, soft music and aromatherapy. Improved circulation and diminished back and hip pain are benefits of this unique therapy for pregnant women. Postpartum massage can help restore a new mother's body to its pre-pregnancy condition and alleviate muscle strain and soreness.

50 minutes, \$140 / 80 minutes, \$180

We recommend that you are past your first trimester and/or have a physician's consent.

: MUSCLE ACTIVATION TECHNIQUES®

MAT, or Muscle Activation Techniques, is a non-invasive technique that analyzes and corrects muscular imbalances. The first step is to identify the cause of the imbalance, pain or limited range of motion through a series of tests. Once identified, a process for reactivating the affected muscles begins. Benefits can include reduced pain, improved mobility and decreased risk of injury.

60-minute consultation and light work, \$85

60-minute full session, \$160

Unwind with a massage by our professional and knowledgeable licensed therapists.

: AROMATHERAPY

Enhance the healing powers of massage with a customized selection of pure essential oils that nourishes the body and nurtures the spirit.

\$20

: MAGNESIUM TREATMENT

Magnesium oil is an anti-inflammatory mineral oil used during massage to relax and relieve cramps, muscle fatigue and stress.

\$20

Magnesium oil is not recommended for those who are pregnant or taking heart medications.

: MOROCCANOIL® LEAVE-IN HAIR TREATMENT ENHANCEMENT

Treat your hair with the conditioning benefits of MoroccanOil®. Infused with antioxidant-rich argan oil and shine-boosting vitamins, this treatment will leave your hair rejuvenated and smooth.

\$20

: PERCUSSION THERAPY

Targeted recovery therapy, percussion therapy delivers fast, short pulses and vibration to muscles and connective tissue using a massage device. The benefits include increased blood circulation, decreased amount of muscle soreness post workout and decreased muscle tension and tightness leaving you with an overall feeling of relaxation.

\$20

Not recommended for those who bruise easily, are pregnant, have diabetes, a bleeding disorder or acute nerve injury or have recently had surgery.

: STONE THERAPY ENHANCEMENT

With the placement of warm and cool stones, this massage enhancement loosens tight muscles, relieves stress and eases tension. Ideal for those needing relief from extended soreness or tightness.

\$20

Not recommended for those who are pregnant, have diabetes or Raynaud's phenomenon or lack sensation for any other reason.

Body treatments are meant to focus on both your internal and external health through a combination of exfoliation, targeted pressure points, specialty hydration methods and other techniques as listed below.

: HARMONIC LAVENDER SUGAR SCRUB

Your mind will instantly rewind while your skin is exfoliated thoroughly with a special blend of natural lavender essential oil and sugar mix. After a rinse when the skin is ready for hydration, you will be lathered in soothing lotion during a therapeutic 50-minute massage.

80 minutes, \$200

: DETOXIFICATION BODY WRAP

Packed with antioxidants and phytonutrients, the techniques and products used in this service will stimulate your body, resulting in a refreshed feeling and youthful glow all over. Your body will be nourished inside and out. This full-body treatment includes a body brushing, warm wrap, a brief resting period while the scalp is massaged and a steamy shower, then a methodical massage technique is used for application of a moisturizing lotion.

80 minutes, \$200

: STONE CROP RESTORATIVE BODY TREATMENT

A relaxing and luxurious service, the Stone Crop Restorative Body Treatment is rich in antioxidants, vitamins and hydrating qualities. Stonecrop is a hydrating and healing plant used in many skincare products. This full-body treatment includes dry brushing followed by a lemony scrub to exfoliate and brighten skin. Next, your skin is rehydrated with a Stone Crop body moisturizer followed by a 50-minute massage using Stone Crop body oil and hot stones.

80 minutes, \$200

: FIT BODY SCRUB FOR HIM

Stimulate your body and mind with this robust mixture of rosemary and lavender oils, excellent for muscular tension. Following the exfoliation treatment, relaxation continues with a full-body Deep Tissue Massage.

80 minutes, \$200

It is recommended to refrain from shaving within 24 hours of any body care services. Exfoliation services and body wraps are not recommended for those who are sensitive to iodine, shellfish or seaweed; are pregnant; have heart disease, irregular blood pressure or open wounds; or have highly sensitive skin or allergies.

Enjoy our innovative approach to skin health. Through the use of natural ingredients, fragrance and therapeutic touch, our treatments restore vitality and promote healthy skin function.

Facials begin with a skin analysis to identify skin type and problem areas along with a full cleanse using one of our unique cleansing tools. Each full facial includes a hand and foot massage during the masking treatment (with the exception of microdermabrasion and peels). For a comprehensive consultation and skin analysis, the esthetician will ask about your current home skin care regimen.

: BEAUTIFUL FIT SIGNATURE FACIAL

Formulated according to your skin condition, plant enzymes remove accumulated deposits and dead cells to improve skin color and texture, while allowing the skin to breathe freely. The results are enhanced with the application of phytoaromatic Italian massage cream.

75 minutes, \$175

: SKINCEUTICALS® FIRMING FACIAL

This service is ideal for dehydrated, aging and environmentally-damaged skin. Using specific SkinCeuticals® products including vitamin C will leave a healthier, firmer appearance of the skin.

75 minutes, \$175

: ÉMINENCE® ORGANIC CUSTOMIZED FACIAL

Eminence addresses a variety of skin concerns such as premature aging, wrinkling, sun damage and acne. The therapies come from natural ingredients that soothe and refresh the skin. Let one of our experienced estheticians select organic products to address your skin care needs in this customized facial.

75 minutes, \$175

: DEEP CLEANSING FACIAL

Rejuvenate and maintain healthy skin with this deep pore cleansing treatment with extractions as needed and advanced hydration. All of your skin's basic needs will be satisfied.

60 minutes, \$135

: ANTI-OXIDANT HYDRATING FACIAL

For dry to extremely dry skin, this super hydrating treatment recharges the skin with essential lipids and moisture-binding elements. Powerful antioxidants also help intercept skin-damaging oxidants that may contribute to future skin damage.

60 minutes, \$145

: TEEN FACIAL

Clinically proven to assist in the management of acne-prone skin, you will experience a gradual clearing of blemishes and an overall skin retexturization. Consultation, treatment and product recommendations are included.

60 minutes, \$125

: FIT FACIAL FOR HIM

An anti-stress facial treatment specifically designed to meet the needs of a man's skin, with extra attention given to the beard line. An oxygenating energy gel gives a revitalizing boost. Please shave at least eight hours prior to your service; however, if you have sensitive skin, it is best to shave 24 hours in advance.

60 minutes, \$135

ur treatments restore vitality and promote healthy skin function.

: CUSTOM CHEMICAL PEEL

Rejuvenate your skin tone and texture with a custom chemical peel. Gently lifting dead skin cells using AHA/BHA acids, chemical peels expose your clear, healthy skin underneath. They are a great way to brighten the face, reduce pigmentation, minimize acne scarring and rejuvenate the skin for a radiant complexion. Our chemical peels have zero downtime and can be performed on most skin types.

50 minutes, \$175 / Facial add-on, \$75

: DERMAPLANE

An effective alternative to chemical treatments, dermaplane uses a fine exfoliating blade to skim dead skin cells and fine, "peach fuzz" hair from the face. The result is a smooth, youthful and radiant complexion. Dermaplane also helps minimize wrinkles and acne scarring with results lasting approximately three weeks.

50 minutes, \$175 / Facial add-on, \$75

🌿 : MICRODERMABRASION

Ideal for men and women desiring healthy, younger looking skin, microdermabrasion is an alternative to chemical and laser treatments. Through gentle exfoliation of surface cells, the appearance of fine lines and wrinkles, acne scarring, stretch marks and age spots is minimized. Consultation included.

50 minutes, \$175 / Facial add-on, \$75

: NEW! NANOINFUSION

A non-invasive procedure to improve the look of skin texture, address visible signs of premature aging and boost hydration. This treatment involves tiny stainless-steel cones to help with resurfacing and product infusion.

50 minutes, \$175 / Facial add-on, \$75

: COLLAGEN FACIAL MASK

A mask of 100 percent freeze-dried natural marine collagen is applied for an intensive moisturizing treatment to counter premature aging, wrinkles and slackening of the skin.

Facial add-on, \$50

: COLLAGEN EYE MASK

Derived from 100 percent freeze-dried natural marine collagen, this intensive treatment immediately smoothes skin in the entire eye area and diminishes the look of premature aging. We recommend a series of treatments for maximum results.

Facial add-on, \$35

: HAIR REMOVAL BY WAXING

Our skilled technicians use delicate, ultra-smooth cream wax that encapsulates the hair rather than sticking directly to the skin. When the integrity of the skin is uncompromised, there is reduced inflammation, redness and downtime for the client.

Not recommended for those on Retin-A or Accutane. Inform your esthetician of any prescription drugs or topical products you are currently using.
