

**K**enneth H. Cooper, MD, MPH, and his son, Tyler Cooper, MD, MPH, have made healthy living their mission for nearly 50 years. Through the array of services Cooper offers, millions have been inspired to make good health a habit to live longer, healthier and more productive lives. Today, Cooper Aerobics is comprised of seven health and wellness entities. At age 86, Dr. Kenneth Cooper serves as Founder and Chairman and continues to see patients. Dr. Tyler Cooper oversees day-to-day operations as President and CEO.

### The Cooper Institute®

Founded in 1970, The Cooper Institute 501(c)(3) nonprofit is dedicated worldwide to health research and adult and youth education. Recognizing the need for irrefutable research on fitness and activity, the Cooper Center Longitudinal Study was established. Today it remains one of the most highly-referenced databases in the world, containing more than 307,000 records from more than 111,000 individuals. The Institute is a leader in personal training certification, "Fit for Duty" law and military training and healthy behaviors coaching. Vested in childhood health and wellness, The Institute's youth initiatives include FitnessGram®, NFL Play 60, Healthy Zone Schools and the Cooper International Fitness Test. ### Cooper Complete®

Cooper Complete is more than a name; it's an accurate description of our nutritional supplements. Based on scientific research, each formulation contains the precise amount of vitamins and minerals listed on the label. That's the Cooper Complete guarantee—they're pure and potent. The line includes multivitamins for adults and a formula that meets the heightened demands of elite athletes. In addition, Cooper Complete includes a variety of supplements with focused ingredients to help improve brain health, skin and eye health, prostate health, joint maintenance and more. Cooper Complete can be purchased online, by phone or at retail locations. 888.393.2221 | [coopercomplete.com](http://coopercomplete.com)

### Cooper Wellness Strategies™

We're just as interested in the health and well-being of companies as we are individuals with more than 100 Fortune 500 employer partners since 1995. Companies with healthier people have higher productivity and retention rates and experience less absenteeism due to illness. And they're better able to control health risks associated costs. That's how and why Cooper Wellness Strategies helps organizations *Get Cooperized™*. The power of Cooper Wellness Strategies is the nearly 50 years of Cooper research and clinical expertise that are the basis for our integrated and customized Fitness Facility Management services. 972.560.3263 | [cooperwellness.com](http://cooperwellness.com)

### GET COOPERIZED!™

Much goes into getting *Cooperized*. Although it's different for each of us, here are eight healthy steps:

- Maintain a healthy weight
- Make healthy food choices most of the time
- Exercise most days of the week
- Take the right supplements for you
- Do not use tobacco
- Control alcohol
- Manage stress
- Get a regular, comprehensive physical exam
